School Hours and Supervision of Students

Lessons commence each morning at 8.50am and conclude at 3.00pm on Mondays to Fridays. The school grounds are open to pupils from 8.20am each morning and remain open to pupils until the last bus leaves each afternoon. At all times outside the period from 8.20am to approximately 4.00pm, the school grounds are out of bounds to all pupils.

Normal supervision of pupils by the school will be undertaken between the hours 8.20am - 3.30pm Mondays to Fridays, however, we are aware that some students arrive earlier than this because of bus timetables. Therefore an executive member of staff is on the playground from 8am to supervise these early arrivals.

Would you please assist the school in the interest of the pupils’ safety by endeavouring to ensure that your child does not attend or remain in the precincts of the school outside the hours of 8.20am and / or ensuring that their child leaves school by 3.30pm (bus passengers only excepted), kindly contact the school in order to discuss what special arrangements might be made for their child.

The school will not be responsible for supervising or caring for students outside the school premises unless the students are engaged in a school sponsored activity e.g. an excursion or a sporting event. The school will not be responsible for supervising or caring for students on their journey to and from school. In particular, the school will not be responsible for supervising students at bus stops either on their way to school or on their way home from school. Each student’s journey to and from school shall be the responsibility of each student’s parent or guardian.

Special arrangements will be made in relation to authorised school activities, which require the attendance of students at the school outside of these hours.

It is important that children arrive at school on time for the assembly bell at 8.50am.
