**English**
Each week children complete various differentiated activities in English including oral reading with the teacher.
Activities completed include:
- Strategies for reading and understanding texts.
- Editing skills
Structural and grammatical features of reading and writing are explicitly taught through modelled, share and independent learning experiences.
Technology is integrated across all areas of English.

**Year 3 Teachers**
3A  Louise Allen  
3GM  Julia Morris (Mon, Tues, Wed – odd weeks)  
Sarah Glettner (Wed – even weeks, Thurs, Fri)

**Routines**
Sport Uniform- Wednesday/Friday

**Curriculum Overview**
**Year 3 Term 1 2016**

**Mathematics**
The following areas will be covered this term:
- Whole Number
  Counting, ordering, reading and recording numbers up to 5 digits.
- Addition & Subtraction- using mental & written strategies for adding and subtracting numbers without trading.
- Length- estimating, measuring, comparing and recording lengths, distances and perimeters.
- Data- organizing data using tables and graphs. How do we interpret the results?
  - Tables- 2X 5X 10X
  - Problem solving using money.

**Religion**
The following units will be covered:
- St Madeleine Sophie
- Jesus shares his gifts
- Jesus reaches out
These units focus on the importance of our gifts and how we should use these. Jesus reached out others and so should we.
- Journeying with Jesus
This unit focuses on the events of Holy Week.

**Religion**
- St Madeleine Sophie
- Jesus shares his gifts
- Jesus reaches out
These units focus on the importance of our gifts and how we should use these. Jesus reached out others and so should we.
- Journeying with Jesus
This unit focuses on the events of Holy Week.

**PDHPE**
Sport lessons with Mr Papastamatis and “Dance Fever” class every Wednesday.
Health unit is Me and My Mates focusing on positive relationships and benefits of belonging to different groups. Also how to communicate, manage conflict and be a peace maker.

**Science and Technology**
This unit of work will enable students to recognise that heat can be produced in many ways and can move from one object to another.

**Human Society & Its Environment**
This unit provides opportunities for students to explore days and weeks celebrated and commemorated in Australia and other places around the world.

**Creative Arts**
**Music**
Students will attend a music/drama lesson each Wednesday for 1 hr, with Mr. Simpfendorfer.

**Visual Arts**
Each student will be exposed to a number of art lessons where different mediums are used.
The art lessons will be integrated with the HSIE and religion units.
