## Activities

**Extra-curricular Activity Program for Years K – 6**  
including before school care, after school activities and vacation care

**“St Madeleine’s is excited to launch Ambrose Activities.** The program extends our school curriculum and provides an opportunity for children to learn new skills, have fun and build social connections. Ambrose Activities is not just for students who require after school care, it is a valuable part of the St Madeleine’s learning journey.”

**Barbara Young, Principal, St Madeleine’s, Kenthurst**

## Our afternoon program includes:

**MY TIME** Games, activities, and free-time facilitated by Ambrose specialist educators experienced in the nationally approved learning framework, My Time Our Place. A variety of activities are programmed each day according to the children’s interests and ideas.

## MASTERCLASSES

### Fun, structured extra-curricular activities!

Each term our program includes a range of exciting Masterclasses delivered by teaching staff from the St Madeleine’s community. All our children have the opportunity to learn new skills and enjoy new experiences.
